

Confirmation for applicants who do not have official documentation

Kiron Open Higher Education is a non-profit organization supporting access to free online courses for refugees, asylum seekers, internally displaced persons, and underserved communities around the world. If you fall into one of the first two categories, you can register with Kiron and will need to upload a document proving your status.

If you do not have any official documentation, please fill out this document and have it signed by a representative at an NGO, a government institution, or another relevant organization. Examples of representatives that can sign this document are: social workers, counselors, legal consultants or camp managers (for example, if you are living in a refugee camp or emergency accommodation).

(For the signing representative. Please write clearly in block letters)

I, _____, as a representative of the organization _____, reachable at _____ (email of the representative), located in _____ (full address of the organization), certify that _____ (applicant's full name) is a person assisted by our organization (through the provision of legal or financial aid, counseling, humanitarian assistance, advice and/or other forms of support) who fulfils the conditions of admission to Kiron Open Higher Education.
